

FOUR NEW ONE-BEDROOM UNITS FOR SALE.

Due to the popularity of our charming one bedroom cottages, we have built four more!

These open-plan cottages each have a sunny living area, kitchenette and generous bathroom with top quality finishes. The bedroom has built in cupboards and sash windows overlooking the valley. A little stoep leads onto the garden at the front and the parking is easily accessible from the back. Peaceful, light and cozy, these cottages are conveniently close to the Clubhouse and Healthcare Centre.
